"THE BEST GIFT YOU CAN GIVE IS A HUG...

ONE SIZE FITS AND NOBODY WILL CARE IF YOUR RETURN IT"

Dear Parents and Grandparents

Hope you all had a lovely week!

We would first of all love to welcome Kristina to TLC Nishmas, who will be working full time with your children! I'm sure you'll all join us in wishing her the best of luck! And good luck to Irene who has now moved to home with the younger ones! *GOOD LUCK IRENE!*

In this week's Parsha, Vayero, we told the children about Avrohom welcoming 3 guests into his tent and that he does the lovely Mitzvah of not only welcoming them but feeding them too. What he doesn't realise is that it was Hashem who sent the 3 guests who are really angels dressed as men! Avrohom and his wife Soroh would always invite lots of guests and they would teach them to say Brachos to thank Hashem for the food He gives us. They were famous for doing the mitzvah of 'Hachnasas Orchim' (welcoming guests). This particular sedra shows us how important it is to care for everybody! One of the angels announces that in one year from that time Soroh would have a son. Soroh becomes pregnant and has a child whom they name Yitzchok-Isaac as Hashem told them to do. When Yitzchok turns eight days old they make a bris, and have a big party!

Monday: To start a busy week off we have a birthday to celebrate! Happy Birthday to Yitzchak! Happy 2nd birthday sweetie! We hope you have the sweetest year ahead full of adventure and laughter! Thank you for bringing in such yummy cake to share and celebrate with your little friends...Love from all of us at *TLC Nishmas! X*

AWW CHILDREN WELL DONE! WHAT A LOVELY SESSION!

Thursday: As we explained in a previous newsletter, at TLC we love to celebrate most things! So today we explained a little about Fireworks night which is this Sunday. So today, to coincide with fireworks night the

children made firework biscuits! Of course they were so engaged in this activity. We didn't give them the opportunity to eat them at nursery because we felt it was up to you, the parents, on whether they were

allowed to eat them, but nonetheless, it's the activity that counts! ***WHAT GREAT FIREWORK BISCUITS YOU ALL MADE CHILDREN!***

Today in our French lesson the instructions included "Pincez les nez" and "tirez les oreilles", which, strangely, the children enjoyed doing. We begun to learn colours, beginning with "rouge" and "vert", which will be part of our forthcoming road safety feature! ***GREAT PUSHING YOUR NOSES AND PULLING YOUR EARS CHILDREN....WHAT A FUNNY SESSION!***
