"NEVER GIVE UP ON WHAT YOU REALLY WANT TO DO. THE PERSON WITH BIG DREAMS IS MORE POWERFUL THAN ONE WITH ALL THE FACTS" - ALBERT EINSTEIN

Dear Parents and Grandparents

The children are getting into the swing of things as Chanukah is now fast approaching! This week the children have been busy creating, making, baking, singing and so much more!

We would like to start off our newsletter by welcoming Gulsum to our nursery. Gulsum will be working twice a week, voluntarily, with the children whilst studying towards a Childcare Cache level 2. **WELCOME GULSUM!**

And this is what we were told this morning by some of the children....

- "I went to the funfair and there was a colourful man. I don't know his name, but he was playing with us. I didn't play with him or give him anything. I got a walkie talkie. We talk in it. I went on a bouncy castle and my mummy was a helper at the funfair. She was the helpful mummy. Me and my sister had to give her loads of kisses" - Benji
- "Bubbles came to my house. They came from the shop and went into the sky. I do it with Pappa. I went to the lots but it kept raining and went all over the slide and swing. I went to Abby's birthday and sang 'Happy Birthday' - Layla
- "I went to the park with mummy. Mummy pushed my swing really high. It was really wet and it rained on me" - Talya

- "I went to Asher's birthday and had birthday cake. It was blue and pink. I saw a balloon it was all of the colours. I played with Asher's birthday friends, and daddy and my sister and my mummy" - Samuel.
- "I had a sleep, that's all I did" - Shira Shaina
- "I went to the park and saw the lights at the funfair. We didn't go in. I played football with my friend, mummy and daddy" - Rafi
- "I went to the park with mummy, daddy and sister Joel" - Aaron
- "Mummy saw a monkey and a car. In the car I went to Grandpa's party and gave him a cuddle" - Natan
- "I went to mummy's school. It was a big school. There was 2 bouncy castles. They were big. One was small and broken" - Rosie

WELL DONE CHILDREN, YOU MADE US TEACHERS LAUGH!

Today the children made Chanukiah's out of clay! A majority of them liked the feel of the clay in their hands and enjoyed rolling, patting and stretching it. Great for their fine motor skills and building those little

muscles in those fingers! Then we added a little maths into this creative design activity to which the children had to poke 9 holes into the clay! **WHAT AN ENJOYABLE ACTIVITY! WELL DONE CHILDREN!** Once they are dry, the children will decorate them to their liking!

Tuesday: Tasty Tuesday! YUM YUM! Today, the children made dreidels out of food! They worked so well sharing the ingredients beautifully! They listened to their teacher's instructions and understood the activity!

WE ARE SO PROUD OF THEM! They each had a marshmellow to begin. They then each took a pretzel stick and had to stick this into the marshemellow. They then had to dip the flat end of the marshmellow into icing and stick a 'wonder melt' on. SUCH A GREAT ACTIVITY FOR THEIR HAND EYE COORDINATION, FINE MOTOR SKILLS AND CONCENTRATION SKILLS! They then had to dip the 'wonder melt' into icing and stick on a chocolate chip (This represented the point of their dreidel). They then had to roll (this was their

favourite part!) the dreidel into icing and then transfer it to assorted nonpariels and roll them around! AMAZING JOB CHILDREN! AND REST ASSURED PARENTS, WE DIDN'T ALLOW THE CHILDREN TO EAT THEM AT NURSERY!

Wednesday: WOW! We have another birthday to celebrate! HAPPY 2ND BIRTHDAY TO OUR ASHER! Wishing you a day as special as you are with a lifetime full with laughter! Thank you for bringing in your birthday cake sweetie! Love from all your little friends and teachers at TLC NISHMAS! X
