"THE EXPERT IN ANYTHING WAS ONCE A BEGINNER"

Dear Parents and Grandparents, we hope you all had a lovely week?

Monday: What a lovely mitzvah it is to welcome people into your home and welcome your special guests with such warmth...This is how Avrohom and his wife Soroh welcomed their guests and this is what we learn from this week's sedra Vayero. So to start off our week the children made their very own **"Welcome"** poster

to display on their nursery door. And we explained to them how lovely it is to say 'Hi' or 'Hello' to one another as they enter their nursery room and what better way to explain it than through playing! And who role played? The teachers of course! The children found this so funny and very entertaining! They used their

handprints to create their poster and each handprint is of course unique just like our little students! The poster will take half the week to complete as not all of the children are in on Monday. WHAT A LOVELY POSTER CHILDREN...!

Tuesday: Continuing the lovely mitzvah of welcoming our guests for 'Tasty Tuesday' the children made scones, sultanas included, filling excluded..We thought we'd leave the choice of filling to you!...YUMMY!

We explained to them that when their mummies and daddies welcome their guests into their home they would usually offer them something to eat and drink too. **CHILDREN, YOU MADE SCONES! WELL DONE!**

Wednesday: We have a birthday celebration at nursery today...YEY! Happy 2nd birthday to our Delilah! Twinkle Twinkle Little Star, TWO Years Old is What You Are! Thank you for bringing in birthday cake to share with your little friends...**Love from all your teachers and little friends at TLC X**

Our Show & Tell focus child for this week is our Amitai
...Amitai brought in a toy bus with small world people. He told us "This is my bus" He pointed to the window and said "window" He then popped in the little people and told us "This is the man. This is me. It's going to Manchester to see Mimi" He then pointed to the number on the bus and told us "3"

WELL DONE SWEETIE...YOU SHOWED OFF YOUR SPECIAL ITEM SO WELL!

Today the children had so much fun creating Bubble Wrap Art.....They had bubble wrap wrapped around rolling pins and had to roll them into plates of different coloured paints and then place them onto their card to create their pieces of bubble wrap art. Whilst they were so engaged the teachers once again

spoke about the colours they decided to work with and we are delighted to hear some lovely feedback from parents on how the children have been speaking about colours when at home or out and about! **FANTASTIC LEARNING CHILDREN!**

Thursday: The children had great fun creating their very own 'DIY Marbled Paper'. Today they worked with food colouring and shaving foam. They were true little scientists using pippettes to add drops of food

colouring onto the shaving foam and using lollipop sticks and the end of the pipette their task was to swirl the food colouring around the shaving foam to create lovely colourful patterns. They then placed paper on to the top of the colourful patterned concoction. With adult help they lifted their paper up and the excess shaving foam was scraped away and this revealed their final piece.....**BEAUTIFUL COLOURFUL SWIRLY MARBLE ART! GREAT JOB CHILDREN!**

Friday: Shabbos Mummy & Daddy today are: Tal & Judah

Book of the Week: Brown Bear, Brown Bear what do you see?

PLEASE NOTE...NEXT FRIDAY WE BEGIN TO CLOSE MUCH EARLIER FOR EREV SHABBOS SO PLEASE DO NOT SEND IN AFTERNOON SNACKS TILL. CLOSING TIME FOR 02/11/18 IS 1PM. THANK YOU.

WHAT A BUSY WEEK! Wishing all our children a lovely weekend and Good Shabbos!
